## MECOSTA OSCEOLA ISD SCHEDULE OF MEDICAL BENEFITS

Point of Service (POS) Plan

## Health Savings Account (HSA) - LEVEL PHMO1 Effective Date: January 1, 2025

Benefit Year: The 12-month period beginning each January 1 and ending each December 31.

**Preferred Benefits** are provided by your primary care provider (PCP) or by a participating provider for office services. Services may require prior certification with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency). Referrals by your PCP to a non-participating provider must also be prior certified by Priority Health. For a directory of Priority Health and Cigna Open Access network providers, call the Customer Service Department at **616 956-1954 or 800 956-1954** or access the Find a Doctor tool on the Priority Health website at priorityhealth.com.

**Alternate Benefits** are not coordinated through your PCP, and are provided by non-participating providers. If you have not selected a PCP, only Alternate Benefits are available. Services may require the satisfaction of deductibles, coinsurance, and are subject to reasonable and customary charges. Some benefits must be prior certified with the Benefit Administrator when prior certification is considered necessary (except in a medical emergency).

**Prior Certification:** Prior certification is required for all inpatient hospital or facility services. Non-emergency admissions must be prior certified at least five working days before admission. For emergency admissions, you must notify the Benefit Administrator as soon as reasonably possible after admission. You or your PCP must call **800 269-1260** to prior certify services. You do not need prior certification from the Benefit Administrator for hospital stays for a mother and her newborn of up to 48 hours following a vaginal delivery and 96 hours following a cesarean section. Other services requiring prior certification are:

- Home Health Care
- Skilled Nursing, Sub acute & Long-term Acute Facility Care
- Inpatient Rehabilitation Care
- Durable Medical Equipment over \$1,000
- Clinical Trials (all stages) for Cancer or a Life-threatening Illness/Condition
- Transplants
- Advanced Diagnostic Imaging Services
- Prosthetic Devices over \$1,000

The full list of services that require prior certification is included in the Summary Plan Description (SPD) and may be updated from time to time. A current listing is also available by calling the Priority Health Customer Service Department at **616** 956-1954 or 800 956-1954. Other services may be prior certified by you or your provider to determine medical/clinical necessity before treatment. Prior certification is not a guarantee of coverage or a final determination of benefits under this plan.

If you are receiving intensive treatment for mental health services, including inpatient hospitalization and partial hospitalization, you or your PCP must notify our Behavioral Health Department as soon as possible for assistance. Call our Behavioral Health department at **616 464-8500** or **800 673-8043** for assistance.

## **Deductibles:**

The deductible is the dollar amount of covered services you must incur during the benefit year before benefits will be paid. Deductible amounts you pay are included in any out-of-pocket maximums. The deductible is applicable to all covered services except routine maternity care services received in your PCP's office or preventive health care services that are listed in Priority Health's Preventive Healthcare Guidelines and provided by a participating provider. Charges for delivery are subject to the deductible.

Preferred Benefits deductible amounts do not apply to Alternate Benefits deductible amounts, nor do Alternate Benefits deductible amounts apply to Preferred Benefits deductible amounts.

If you have individual coverage, you must meet the individual deductible below. If you have more than one person in your family, you have family coverage and only the family deductible applies. The family deductible can be satisfied by only one family member or by any combination of family members.

The deductible amounts renew each benefit year. The preferred deductible will include any monies paid for covered pharmacy services.

Notwithstanding the above, the following costs do not apply towards the deductible: Services that exceed the annual day or dollar benefit maximum for a specific benefit (denied as non-covered services).

Mecosta Osceola ISD POS HSA-LEVEL PHMO1

## **Out-of-Pocket Limits:**

The out-of-pocket limits the total amount of covered expenses that you or your covered dependents will pay during a benefit year. Once the applicable out-of-pocket limit is met, all further medical and pharmacy covered services for that benefit year will be paid at 100% without requirement of copayment.

If you have individual coverage, when calculating your out-of-pocket, the plan will include all copayments and deductibles paid toward covered services during a benefit year. If you have family coverage, the plan will include all copayments and deductibles you and your family paid collectively toward covered services during a benefit year.

Your out-of-pocket limit renews each benefit year. The preferred out-of-pocket limit will include any monies paid for covered pharmacy services.

Notwithstanding the above, the following out-of-pocket costs do not apply toward the out-of-pocket limit: Services that exceed the annual day or dollar benefit maximums for a specific benefit (denied as non-covered services); and costs paid by participant for alternate benefits that exceed reasonable and customary.

The following information is provided as a summary of benefits available under your Plan. This summary is not intended as a substitute for your SPD. It is not a binding contract. Limitations and exclusions apply to benefits SPD and any applicable amendments to the Plan.

Pursuant to IRS Publication 969 – Health Savings Accounts and Other Tax-Favored Health Plans – participation in a prescription drug plan that provides benefits before the deductible is met makes the plan disqualifying coverage since it's not a high deductible health plan, and may make you ineligible to contribute tax-free dollars to a health savings account due to your HSA losing its tax exemption. Contributions made to an HSA that lost its tax exemption, either on behalf of an individual, or by an individual who is not eligible for an HSA under IRS rules will be treated as taxable income. Please consult your tax advisor.

Mecosta Osceola ISD
POS HSA-LEVEL PHMO1

Effective January 1, 2025
789200

In accordance with the terms and conditions of the SPD, you are entitled to covered services when these services are:

- A. Medically/clinically necessary; and
- B. Not excluded in the SPD.

You will be responsible for services rendered that are beyond those prior certified as medically/clinically necessary.

If the hospital confinement extends beyond the number of prior certified days, the additional days will not be covered unless:

The extension of days if medically/clinically necessary, and Prior certification for the extension is obtained before exceeding the number of prior certified days.

For emergency admissions, the Benefit Administrator should be notified by the end of the next business day following the admission or as soon as reasonably possible.
